

OWLS AND LIONS

FULL BAND SONGLIST 2021/2022

On the average, the full band usually performs 3 forty (40) minute *dance sets* in any 4 hour Reception. During the breaks and the final half hour is almost always DJ music. You can always expect continuous music, with no breaks.

These are all songs we perform, but there is way more here than we would usually play. You can tell us what you like and prefer and we can tailor our sets to your preferences to some degree. For example, some people don't love country music, so we can leave the country tunes out and do mostly the rock material. Also, we perform these sets as medleys that are designed to keep people dancing. We usually always start the sets with a slow song to get everyone up, but then it's all upbeat and the songs blend together with very few stops or slow downs.

1. Get Em Going
